

At the **University College of Applied Science (UCAS)** in Gaza Strip, would like to express our interest in applying for the Fifth Tempus Call by complying some concept projects in the areas of **Curricular Reform, Alternative Energy, ICT, Water and Environment, Academic Quality, Educational Sciences, and Business Studies**, and would like to explore potential partnership in helping and supporting the submission of joint project proposals and for the search of partners.

With reference to the Fifth TEMPUS call and the National priorities of Palestine, we can cooperate in preparing projects proposals in the fields of **Quality Assurance, Development of International Relations, Development of Lifelong, Training courses for public services (ministries, regional/local authorities) and Knowledge Triangle: Education-Innovation-Research.**

Can you please direct us to the universities in **Jordan** that are interested in applying for this year's TEMPUS call in above-listed areas? We sincerely appreciate your help and cooperation and we are looking forward to starting a viable and long-standing partnership universities in **Jordan**.

For more information about UCAS, please visit the following link :
